any information. He then informed me to get in touch with Captain Wolff who is still connected with the Armory or Sgt. Robert E. Walsh of 360 East 195th Street who was the armorer in charge at the time of the circus but now out of service or otherwise Col. Austin of 111 West 90th Street, as these men might be in a position to give me the necessary information.

The procedure in securing the Armory for such purposes is as follows:- A printed form is given to the people desiring the use of it and then it is presented to the colonel and action is taken on it. The man who engages the armory from the colonel must live up to the requirements that are stated in the said contract.

from Mr. F. secured Mrs. M. Williamson's address, which is 4715 Foster Avenue, Long Island City.

Later proceeded to the said address and interviewed Mrs. Williamson, who is a woman about 5 ft. 6 in. in height, medium built, premature gray hair. She informs me that she was first employed at the Hotel Ansonia in January 1925 and left about December 15th, 1925. That she knew Mrs. Clara B. Lapham very well, in fact they generally ate together at the hotel, also that Mrs. Lapham started to work at the Ansonia in the early part of February 1925 and was still working there when Mrs. Williamson left in December, and the position she held was that of night housekeeper. That Mrs. Lapham told her she was a
